## 24 CFR Ch. VIII (4–1–10 Edition)

### § 891.420 Overcrowded and underoccupied units.

If the Owner determines that because of change in household size, an assisted unit is smaller than appropriate for the eligible household to which it is leased, or that the assisted unit is larger than appropriate, project rental assistance payment with respect to the unit will not be reduced or terminated until the eligible household has been relocated to an appropriate alternate unit. If possible, the Owner will, as promptly as possible, offer the household an appropriate alternate unit. The Owner may receive vacancy payments for the vacated unit if the Owner complies with the requirements of § 891.445.

### § 891.425 Lease requirements.

This section shall apply to capital advances under the Section 202 Program and the Section 811 Program, as well as loans financed under subpart E of this part.

(a) *Term of lease.* The term of the lease may not be less than one year. Unless the lease has been terminated by appropriate action, upon expiration of the lease term, the household and Owner (or family and Borrower, as applicable) may execute a new lease for a term not less than one year, or may take no action. If no action is taken, the lease will automatically be renewed for successive terms of one month.

(b) *Termination by the household (or family, as applicable).* All leases may contain a provision that permits the household (or family) to terminate the lease upon 30 days advance notice. A lease for a term that exceeds one year must contain such provision.

(c) *Form.* The Owner (or Borrower, as applicable) shall use the lease form prescribed by HUD. In addition to required provisions of the lease form, the Owner (or Borrower) may include a provision in the lease permitting the Owner (or Borrower) to enter the leased premises at any time without advance notice when there is reasonable cause to believe that an emergency exists or that health or safety of a family member is endangered.
